

## **MIRAKEL – October 2024**

MIRAKEL is an exciting new duo that blends genres across the board.

With roots in both Eastern and Western folk music, pop, sacred music, and electro, Marte Schau and Mikael Fleron create a sound entirely their own. They are two skilled musicians with many years of experience on the world music scene. Together, they have created a new genre: Spiritual Electro Folk.

MIRAKEL lifts you on light wings of virtuosity and playfulness, with catchy pop songs and free improvisations. Their music moves from the quiet and intimate to the danceable and almost hypnotic. And when Marte's voice and Mikael's saxophone intertwine with floating atmospheres and groovy beats, love is in the air! Their repertoire consists of original compositions, where small mantras sometimes sneak in, giving the audience a chance to sing along and become part of the experience.

The lyrics are primarily in English, carrying messages of love, light, and joy, encouraging the choice of the path of love.

Norwegian-born Marte, and Mikael, who is Danish, have been a couple for 25 years and live in Copenhagen with their children, so they know each other very well, both personally and musically. Boundaries are open, and magic happens when they play with keyboards, harp, saxophone, beats, and vocals.

Marte is a primal force. Her powerful voice ranges from the deepest warmth, through the raw and intense, to the brightest crystal-clear expressions. With her heart in hand, she gives you the opportunity to feel, sense, and let go.

Mikael's main instrument is the saxophone, which appears with cascades of Nordic and Oriental tones when he freely improvises in Mirakel's gentle universe. And he weaves magic with the machines, making synthesizers and beats pulse with irresistible rhythm.

With their loopers, they build layer upon layer of harmony, and their performances are full of presence and humour. Get ready for a miraculous shower of love!

**Recommendation:** "I had the great pleasure of experiencing Marte and Mikael in a fantastic concert. I was deeply moved and could feel their music in every cell of my body. Their calmness and radiance are wonderful, and Marte's voice is incredibly beautiful. It was a deeply touching and spiritual experience that I warmly recommend to anyone looking to connect with music on a higher level. There's no doubt that these two let the music flow through them effortlessly. So loving and uplifting."
